Office Order

Subject : Permission for floriculture projects in shade net house under Scheme-1 of National Horticulture Board - regarding

The matter regarding not allowing floriculture projects in shade net house under Scheme-1 of NHB was raised by the Members of BoD in the 31st meeting of Board of Directors held on 23.11.2021. The Board of Directors felt that since the same is allowed by SHMs under MIDH, hence, choice of protected structure under NHB Schemes may also be left to the applicants as per past practice. Accordingly, the BoD decided to allow the entrepreneurs to take up floriculture projects under shade net house under NHB Schemes also.

All concerned may please note the above decision of BoD for compliance.

This is issued with the approval of Competent Authority.
